Our Story

The Vana Group is a renowned business group that has been operating in Pakistan since 1947. Initially starting with electroplating chemicals, the group has diversified into various businesses over the years. The third generation of the family entered the confectionery line in 2014 and has achieved a remarkable position in the industry, Alhamdulillah. Our offices and warehouses are located in major cities of Pakistan, with logistics support.

There is a high demand for Pakistani confectionery products both locally and in export markets, including Gulf countries, African countries, USA, and Canada.

We prioritize quality from ingredients to finished goods and have introduced innovative products in the market.
